

STATE OF IOWA

THOMAS J. VILSACK
GOVERNOR

SALLY J. PEDERSON
LT. GOVERNOR

IOWA BOARD OF DENTAL EXAMINERS
CONSTANCE L. PRICE, EXECUTIVE DIRECTOR

Enclosed is the application for dental assistant registration and radiography qualification. Dental assistant trainees and graduates may now apply for registration and radiography qualification on one form, with one non-refundable fee of \$40. To do so, you must have received clinical training in dental radiography and have passed the radiography exam. If you meet the requirements and would like to obtain your radiography qualification, answer, "yes" to question four, in section two of the application. Keep in mind, that you must meet all of the requirements and attach all necessary documentation to receive qualification.

If you do not meet the radiography requirements at the time of initial registration, you have two years following training to complete the requirements for qualification. **Be advised, however, if you do not apply for radiography qualification at the time of registration, you must later submit a separate application and pay a separate fee of \$40 for processing an additional application for qualification in dental radiography.** The Board strongly suggests that you make every effort to complete the radiography requirements for issuance of your radiography qualification at the time of registration.

Please allow a minimum of 14 days for your application to be processed. The board office will contact you if additional information is required to complete your application. Please be advised that you should contact the board office at your earliest convenience if you have any impairments or criminal history that could affect registration. These issues can delay registration, potentially prohibiting you from practicing as a dental assistant after the expiration of your trainee status.

To submit a complete application, please make sure to:

- ☐ Answer all questions completely and *ensure that all information is correct*. Attach all necessary documentation.
- ☐ **INCLUDE THE \$40 FEE WITH YOUR APPLICATION.** This fee is non-refundable.
- ☐ Answer "yes" to question four, in section two, if you are making application for qualification in dental radiography at this time. Attach all necessary documentation. If you were on trainee status, make sure that the supervising dentist verifies your training in dental radiography on the affidavit of employment.
- ☐ Attach copies of score reports for all exams. We accept score reports for Iowa state exams, and results for DANB exams in infection control and radiography. (DANB exams in infection control completed before June 1991, will not be accepted, nor will DANB exams in radiography before January 1, 1986.)
- ☐ Have your supervising dentist or post-secondary school complete and submit the affidavit of employment or certification of dental assisting education.
- ☐ Request verifications from other states if you are licensed, registered or certified as a dental assistant in any other state.
- ☐ Provide a separate, signed statement for any "yes" responses to questions 1 – 15 in section 5. Please be thorough when submitting this additional information. If you answered, "yes" to question 5, the Board may request that you supply a certified copy of your Iowa criminal history if the charge or conviction was an indictable offense.
- ☐ Carefully read the affidavit of applicant. *Your signature must be notarized.*
- ☐ Attach a copy of current CPR card.
- ☐ Attach a recent photograph.

If you are unable to include all relevant information when you submit the application, please attach a note indicating when to expect this additional information, otherwise the Board office will return any incomplete applications.
